Subject LaHood Inquiry

History:  This message has been forwarded.

Dear Mr. Deutsch:

This e-mail confirms our discussion earlier today clarifying one of the questions asked on behalf of Congressman Ray LaHood. The funds which may be given to state and local Republican organizations, as mentioned in my letter, were intended to be funds given to the non-federal account of those organizations.

I hope this clarifies the intent of my request, but please let me know if you need additional information.

Thank you for your assistance.

Rex Linder
